First Lego League Club- Thursdays

Be part of this year's team, entering the First Lego League regional heat!

Understanding of the use of the EV3 is beneficial but not essential. You will work as a team to build and programme a Lego EV3 robot around an assault course, collecting as many points as possible in a 90 second time limit.

Additional work on a group presentation will be required outside of club times, as the Regional heats are held between January and March - leaving us only 12 weeks to both programme our robot and put together a team presentation! You will need to attend every week in order for the team to be ready to compete by the Spring term. Those who have previously been part of the team are very much welcome to take part again! Not running on 6th October or 17th November.

We are looking for backing vocalists, 2 Guitarists, and a Bass player. Ms Pluszcz our Director of Music asks that pupils prepare something to play at an audition. Pupils are also required to have their own instrument in order to practise at home. Pupils who auditioned last term, do not need to audition again. A separate email will be sent to Remove Parents with a booking form for auditions which will be held on Tuesday 6th September from 3.45pm-4.45pm.
